Starting in Huntly Square, head north past the Gordon Schools **1** and down the beautiful Avenue. You will see Huntly Castle emerge at the bottom of the Avenue **2** at which time you bear left onto the riverside and walk through the Deveron Park and the Nordic ski and Outdoor Centre. **3**

Follow the river along for approximately 1.5km. You will go up and over a bridge using wooden stairs before coming back down the other side. **4**

Follow the river again until the river meets the Huntly-Dufftown Road. **5** At this point, walk for a very short section along the side of the road back towards Huntly and take the first left towards a farm and a couple of residential properties. **6** Follow the road under the A96 and at the end, turn right and **7** follow the road and then footpath back into Huntly Town Centre.
